Re: FEC MUR 6892, Casey M. Mann, Executive Director, North Carolina
Democratic Party v. Walker4NC

Dear Assistant General Counsel Jordan:

I am in receipt of your letter to me dated October 30, 2014, which concerns the above referenced FEC complaint (MUR 6892) and indicates that I, acting in my official capacity as treasurer of the Next Century Fund, "may have violated the Federal Election Campaign Act of 1971, as amended ("The Act")." This letter serves as my response to your letter.

Part 3 of the above referenced complaint alleges that the respondent, Walkerr4NC, received contributions from Next Century Fund in excess of the \$5,000 limit (see pages 4 and 5). Our records indicate that we made two (2) \$5,000.00 contributions to Walker4NC on July 31, 2014: (1) \$5,000.00 for Primary Debt and (2) \$5,000.00 for the General Election. The complaint alleges that Walker4NC received contributions for Primary Debt, but failed to report any indebtedness. Next Century Fund was informed by the Walker4NC committee on July 30, 2014 that the committee had Primary Debt, and responded to a request for assistance in settling Primary Debt.

I hope this answers any questions that you may have. Please contact me if you have any questions.

Very truly yours,

Mary T. Fauth
